

Training Course

Fire Alarm System „Solution F1 / F2“ Agenda 2019

Agenda, Day 1 – Hardware

09.00–09.15 **Welcome and beginning of the training course**

09.15–10.00 **NSC Solution F2**
Power-Point presentation

10.00–10.45 Wiring diagrams

10.45–11.00 **Coffee break**

11.00–11.45 **NSC Solution F1**
Power-Point presentation

11.45–12.30 Wiring diagrams

12.30–13.30 **Lunch break**

13.30–15.00 **Multifunctional loop, detectors and modules**
„Apollo“ and „Hochiki devices“

15.00–15.15 **Coffee break**

15.15–15.45 **Loop Calculator**
Tool for loop and battery calculation

15.45–16.15 **NSC Flash Device**
Contents and installation of software

Agenda, Day 2 – Software

09.00–10.30 **The configuration Software „NSC FAS Tool“**
Introduction of „NSC FAS Tool“
(theoretical demonstration)

10.30–10.45 **Coffee break**

10.45–12.15 **Panel menu Solution F1/F2**
First steps, commissioning,
diagnosis- and testfunctions

12.15–13.15 **Lunch break**

Agenda, Day 2 – Workshop

13.15–14.45 **Commissioning of a demo panel**
scanning devices, programming of detectors,
sounders, in- and outputs

14.45–15.00 **Coffee break**

15.00–15.45 **RS 485-Bus components and possibilities**

15.45–16.15 Maintenance and service

16.15–16.30 **Concluding discussion**
Handing out of certificates
